UNITED STATES POWER SQUADRONS
PAST CHIEF COMMANDER
RAYMOND A. FINLEY, JR., SN
SEA SCOUT SERVICE AWARD

Purpose:

The USPS “Finley Sea Scout Service Award” recognizes those members and honorees of the United States Power Squadrons who are also youth or adult Sea Scout leaders, and who have provided outstanding civic, educational, and fraternal leadership to both the Sea Scouts and the United States Power Squadrons, through civic involvement, educational achievement, and active participation in both programs.

This Service Award is named for Past Chief Commander Raymond A. Finley, Jr., who became a Sea Scout in 1935, and earned the highest achievement recognition in Sea Scouting, the Quartermaster Award, in 1939. Upon entering the Navy during World War II, Finley’s Sea Scouting background and his engineering training at Rutgers University helped him to become an Instructor at Midshipman School, teaching engineering, knots, and basic seamanship. During 1982-83, he served as Chief Commander of the United States Power Squadrons.

P/C/C Finley became the first adult recipient of this USPS Sea Scout Service Award during the USPS Annual Meeting in 2004, seventy years after his first civic, educational, and social Sea Scout activities. By unanimous resolution at that presentation, the award was named in his honor.

Recognitions:

At each USPS National Meeting, all qualifying recipients will be individually recognized during the Open Administrative Department meeting, and will be presented with a Plaque and Certificate of Recognition, together with a USPS Sea Scout Service Award medal in the likeness shown above. The ribbon design is based upon the vertical blue and white striping of the USPS Ensign, with the medal fashioned after the USPS ensign and ship’s wheel registered logo.

Awardees must be present at a USPS National Meeting in order to be recognized. Once recognized at a USPS National Meeting, similar recognition – in person – at the recipient’s District Conference and Squadron Change of Watch awards ceremony, is also appropriate.

Additionally, it is intended that each recipient will also be similarly recognized at the immediately following BSA National Meeting, with presentation of the Community Service Award Certificate and uniform knot (with the USPS membership pin device), during the National Sea Scout and Venturing Bridge of Honor and Reception.

The Finley Sea Scout Service Award medal and/or the Community Service Award knot with USPS device, once approved by the BSA Relationships Division, will be worn centered on the top of the left breast pocket of the Sea Scout "Class A" dress uniform (either Navy or white), in accordance with the current edition of the Sea Scout Manual, the www.seascout.org website, and the BSA Insignia Guide.

USPS Honoree Recipients:

1. Upon the request of the National Administrative Officer (NAO), as ratified by the Operating Committee and the Governing Board, a maximum of three Awards per year may be presented by the Chief Commander to honorary USPS members and/or honored guests of the National Bridge during the USPS National Annual Meeting, or during USPS National Governing Board meetings.

Applications: An Application Form is attached. All qualifying USPS members are urged to complete the Form, and forward it via mail or fax to the USPS Membership Committee Chairman, whose contact information is listed on the inside back cover of the ENSIGN Magazine. A Finley Award Review Committee, comprised of a group of previous Finley Award recipients, USPS Membership Committee and Youth Activities Team members, and USPS District Sea Scout Liaisons has been established to review all applications and nominations submitted. Awardees will be notified in advance of the USPS National Governing Board Meeting or Annual National Meeting where their presentation will take place, and asked to confirm their attendance.

Summary: The Finley Sea Scout Service Award is not intended to be an easy award for USPS members or Sea Scouting Leaders to obtain. It is meant to give special recognition to those persons who have given active and extraordinary service to the Community and to the USPS, in furtherance of the Partnership that has been formed between the United States Power Squadrons and the Sea Scouts, pursuant to the Memorandum of Agreement (MOA) that was executed in 2002.
